

An all-in-one smart device that looks great and delivers an exceptional guest experience.

Function meets Form

Our latest payment terminal has a modern design that lets both you and your guests get a great view of every transaction.

A TURNKEY SOLUTION

Features a mobile and countertop credit card terminal, printer, signature pad, PIN pad, and docking station.

WIRELESS FREEDOM

WiFi capabilities enables you to take the check-in/ check-out process and sales transactions to your guests.

ACCEPT ALL PAYMENTS

Processes all payment types – magstripe, chip (EMV) cards, and mobile payments such as Apple Pay (NFC).

POWERFUL SECURITY

With encryption and Safe-T, your guests' data is protected by the latest technology.

STRONG SUPPORT

Includes a dedicated support team to help whenever you need it 24 hours a day, 7 days a week.

ROBUST REPORTING

Our HQ dashboard makes it easy to monitor sales, refund transactions, and settle with one click.

LET'S TALK:
